

# Ashbrook Compass

April 15, 2022

Dear Ashbrook Family,

[Celebrate Ashbrook tickets are now on sale!](#) It is our hope that this event will grow into an annual tradition, a much anticipated nice night out for our parents, and a fun community builder keynoted by an alumnus or alumna who actually IS an Explorer of some kind.

As you may know, this year's keynote address will be delivered by [Sean Hixon, '07](#). Sean was in town earlier this week (visiting from Germany), and I had the great pleasure of spending some time with him and his father.

In fact, Mr. Olson, Mr. Hunt, Ms. Tynon, and I had a chance to break bread with Sean at Taco Vino. Sean is a very impressive young man with a remarkable array of interests and experiences for a person of his years and a really terrific story teller. I loved hearing him and Mr. Olsen and Mr. Hunt recount their Ashbrook experiences, particularly those from the 8th grade trip! As I heard them speak, I found myself a bit puffed up with pride as I heard Sean crediting his Ashbrook teachers with cultivating his passions, inspiring his wonder, and challenging him to grow into the adult I saw sitting before me. You won't want to miss this opportunity to connect with other parents and to hear Sean talk about what he is currently doing and how Ashbrook played a role in his life's journey.

I'll see you there!

Warm Regards, Doc

Dr. Christopher A. Schoberl  
Head of School

## **Admissions and Enrollment Updates**

### **Re-enrollment**

The 2022-2023 enrollment season has started! You should have received an email with enrollment steps for the 22-23 school year. Here are some additional documents for your reference as you plan for the new year. Please remember to read the Family Handbook, sign the enrollment contract, and then pay the deposit in MSP in order to finalize your student's enrollment.

- [2022-23 Payment Options Summary](#)
- [2022-23 Dewar Tuition Insurance leaflet](#)
- [2022-23 After School Program Registration](#)
- [2022-23 Ashbrook Family Handbook](#)

## Enrollment Deadlines

According to the enrollment contract, ***Ashbrook needs to know by April 29th*** if your family is deciding to enroll for the 22-23 school year. Once a class is full, we will develop a wait pool. If that is the case, it will be enormously helpful to us to know how many spots are available before the 4/29 deadline because our wait pool will begin to evaporate as eligible students find spots in other schools. See the timeline for enrollment below:

- ~~4/13 - [Financial aid applications](#) due~~
- 4/22 - Financial aid awarded
- 4/29 - Deposit due and all changes submitted
- 6/15 - Early bird discount for lump sum tuition payments due
- 6/30 - Lump sum tuition payments due
- 8/2 - 10-month payment plan begins

## **Athletics at Ashbrook, a survey**

Partnering with Valley League Sports, Ashbrook School is currently exploring the possibility of offering a more robust Explorer athletics program, one sport a season, with the following sports as possibilities.

- Flag Football (coed) or Cross Country (coed): Fall
- Basketball (boys/girls): Winter
- Tennis (coed), Softball (coed), or Volleyball (coed): Spring

Read more about the plan [HERE](#). Would your child(ren) be interested in joining one or more of these teams? Required is a willingness to engage with enthusiasm: experience in the given sport, while a bonus because it would provide a leadership opportunity for those who have played before, is not necessary. Please complete [this anonymous Athletics Program Survey](#) by 4/20 to indicate which of the above Ashbrook teams your child would consider joining, if offered.

(Although we have not yet sealed the deal, I like the way this looks!)

## Congratulations to Ashbrook's "Book Cookies!"

The Book Cookies absolutely shined in the middle school regional OBOB competition last Saturday, April 9! Rebekah C., Stella C., Sarah M., and Arlo O. were one of 18 teams competing regionally, demonstrating their detailed knowledge of this year's OBOB book selections by answering multiple series of questions. They competed in our Library with Coach Alecia Christensen on hand for support, parents present to cheer in silence, and Mr. Puettmann involved to ensure that the Zoom venue worked without a hitch. The competition results showed that their dedicated preparation paid off. Our very own Book Cookies prevailed in all their Pool Play battles, moving them forward into the Elite Eight competition, a fete that less than half the teams achieved. We are so proud of the Book Cookies and their coach for an amazing job—yes, in the competition itself, but also in the months of reading, meeting, discussing, practicing, and working together as a team in the months prior to the competition! Simply AWESOME!
